Further investigation of the domain supportcenter-ee.com shows the following:

1. The domain is associated with various URLs of the same Barclays scam, as well as phishing pages targeting additional UK banks.
2. The IP of the website, 129.146.184.83, is associated with all the URLs from the domain supportcenter-ee.com but also with more phishing domains like:
  - suppor-center-ee.com
  - customer-eesupport.com
  - pp-ee-support.com
  - pp-eesupport.com
  - support-eecustomer.com
3. The above indicates that the phishing websites hosted on supportcenter-ee.com and the other domains originate from one specific phishing kit.
